**"Building Safety Certificate"**

This is to certify that the DAV Mahatma Anand Swami Public School Airport Road, Totu, Shimla (HP) was inspected by the undersigned along with Junior Engineer, Section Totu on dated 22-01-2024. During inspection, it was found that the school is currently running in the building owned by Sh. Jeevan Jyoti, Principal of School building Totu, which is constructed in the year 2017.

The Building was visually inspected from all angles of safety and is found fit for normal use. During Inspection, no hair crack or deformity was found in the building. As per the new guidelines issued by the Department of Public work vide PBW (B) E.395/2019 dated 05.05.2021 vide which it was decided to issue/process NOC in relation to the Age of Building. Therefore, the NOC is recommended for 5 years for session 2023-24, 2024-25, 2025-26, 2026-27 and, 2027-28 subjected to the following conditions.

1. In case any addition /alteration or expansion and modification are done to this building, it is to be carried out under the supervision of qualified Engineer and certificate should be obtained after completion.
2. In case, the building experience any natural calamity such as Earthquake, floods etc. or there is any settlement of walls due to unidentified reason, during these 5 years, immediate inspection is to be arranged to check the safety of Building.
3. This certificate is not valid for any legal cases.
4. The structural stability cannot be issued, as the building is not constructed by the HPPWD.

Recommended for approval please.
